N.B. Soup can only replace instant coffee 2.
(1) or (2) = Choice of: decaffeinated, fair trade, black, white, etc.

The Solo Encore LX is a compact beverage machine that combines stylish good looks and durability with impressive menu choice.

Serve authentic Italian-style bean-to-cup coffee including cappuccino, latte and double espresso. If your site demands wider choice, the Solo can offer two instant coffees (regular and decaf) alongside freshbrew tea, chocolate, soup or even low cal chocolate. The drink options are almost countless!

Eye-catching graphics:

EASI-FIT machine graphics mean we can produce a look that is unique to you.

Green credentials

- Inbuilt energy saver management system reduces power consumption
- Large, refillable ingredient canister
- Fluorescent light tube free design
